TOMA DE MEDIDAS / HOW TO TAKE THE MEASUREMENTS

Tomar las medidas desde la pared hasta el borde externo del plato de ducha.
Take the measurements from wall to the external edge of the shower tray. Dimensions must be taken once the walls are finished and tiled, according to the above drawings.

Tomar medidas de pared a pared, medir la parte baja, la central y la superior. Cursar el pedido con la medida más pequeña.
Take the measurements from wall to wall at the bottom, at the top, in the middle and use the smallest. Dimensions must be taken once the walls are finished and tiled, according to the above drawings.
